

# Sno-Do

**Barrie, Ontario  
CANADA  
January 23-27, 2015**

When the mercury plunges, the excitement heats up! Sno-Do (pronounced “snow dough”) is a cross-country snowmobile fundraiser held each January in Ontario, Canada. More than 30 Junior Civitan district governors and international officers from the United States and Canada solicit pledges before making the journey. All proceeds benefit the Civitan International Foundation and its flagship project, the [UAB Civitan International Research Center](#). The event raises approximately \$60,000 each year and has raised more than \$1.5 million since its inception.

Click below to donate safely online. You can donate with a PayPal account or credit card. Please specify *Chesapeake District* by clicking “Enter Junior Civitan’s name here”.
